

Coronation May 2023 The Big Help Out

As part of King Charles III Coronation Weekend, and with the support of the Parish Council, a "Big Help Out Day" was held on Monday 8th May in the Village Hall.

This was in line with a national theme requested by our new king, who is an advocate of volunteering and has led by example of many occasions.

He recognises the value of serving and supporting the local community. Research has shown that volunteering is associated with improved health and well-being.

250 hygiene packs were completed for Bedford Foodbank.

A Royal Thank You, to the members of the Parish Council and residents of Milton Ernest.

This acknowledgement from the King and Queen was in response to the "Volunteers Big Help Out" initiative connected to the Coronation in May.

Many thanks to all involved.
