

Milton Ernest Volunteer Team

Milton Ernest Volunteer Team received a big thank you from the Parish Council at its June 2023 meeting.

This group started in December 2021 and have been active around the village, weeding, hedge trimming, painting and general tidying of the village infrastructure.

The group are always on the lookout around the village for small jobs to do when they can spare an hour or two. They are easily identifiable with yellow Hi Viz vests, wellies and wheelbarrows.

So if you see them around and about, give them a cheer as they are stars.

If you would like to be part of the group, there is information available on the Parish Council website, including a simple application form. We'd love to hear from you.

April 2023

The volunteer team spent time clearing the overgrowth and weeds from the original entrance to Milton Ernest Hall.

Revealing the wooden gates and stone columns, showing the intricate stone and wooden designs underneath. Attention was given to the stone walls and raised grass areas to the sides.

May 2023

The Volunteer Team supported the village church by clearing the moss and weeds between the stones in the memorial garden.
