

Playing Field

End Of Season Maintenance

It's true to say that the Village Volunteer Team have made a significant saving on the maintenance costs on the work they are able and willing to do on the playing field, and on behalf of the village and parish council.

In October the team repainted the goal posts, replaced the nets.

Here they are repairing and levelling the goal areas with additional top soil and reseedling with new grass seed.

Thank you to the volunteers for making the playing field a more pleasant place for families of Milton Ernest to enjoy.

The area around the slide has been tidied up and a new landing mat has been placed at the foot of the slide. Pictures below.
