

Godfrey Dunn

Godfrey needs no introduction as he is a well known person around the village of Milton Ernest.

Goff, as he is affectionately known, came to Milton Ernest with Jenny, his wife, and their daughter, Melanie, in 1977. Their son Adrian was born the following year. They moved from Sharnbrook, but had previously lived in Cambridge.

For most of his working life he was in sales and marketing for a well known tobacco company. On taking early retirement he then worked for Age UK as a member of their gardening and maintenance team.

He served as Parish Councillor for seven years, was Chair of the Village Hall Committee for eight years, a member of the church grass cutting team and for many years he and Jenny were on the playing field committee, where they raised money for the apparatus in the early years.

His other interests include watching cricket, Milton Ernest Ramblers and his MX5 sports car.

Currently he is an active member of the village volunteer team and has a willingness to tackle most tasks that come his way. He feels it is important that the village is kept to a high standard.

The village volunteer team are always looking for others willing to be involved in the upkeep of our village. If you wish to join the team, details are available from the Milton Ernest Parish Council Clerk: clerk@miltonernest-pc.gov.uk
