

Annual Report Environmental Volunteer Team. 2023/24

This group received a budget from the Parish Council.

Purchases were: paint and brushes for items on the playing field, including the goal posts, new ties for the nets, painting of the youth shelter and benches.

Top soil and grass seed for the goal areas and protective gloves for the team.

Number of hours worked was 204 from May 2023 to date, saving the Council about £2,125.00 based on the national minimum wage.

Three articles have been included in the Villager and also on the Parish Council website.

Information posters have been placed in all three village notice boards.

This year, the Parish Council have reviewed the policies and procedures document, the volunteer details form, and the generic risk assessment.
